

# Vote "NO" on Amendment 4

## Amendment to Limit Government Interference in Abortion

### What it says:

#### Amendment 4 reads:

*"No law shall prohibit, penalize, delay, or restrict abortion before viability or when necessary to protect the patient's health, as determined by the patient's healthcare provider. This amendment does not change the Legislature's constitutional authority to require notification to a parent or guardian before a minor has an abortion."*

### What it means:

**Abortion Legal up to Viability for All**  
(23-24 weeks gestation)

**Abortion Legal up to Birth with Consent of a Healthcare Provider**  
(not necessarily a doctor)

**No Parental Consent Required for Abortions performed on minors**
